Dear Friends and Guests,

Warm Greetings from all of us at Grand President.

In our continuous effort to update facilities, we are pleased to inform that Grand President is planning to change the carpet at fitness centre on the 8<sup>th</sup> floor at Tower II as well as add a Thai boxing station. Boxing is one of the best stress busters around; not only ensures it a diverse workout, but is always fun, energetic and addictive. Come and try it out and sign up for membership for only THB 999 net per month.

With kind regards,
